Library Information Skills Workshops

The library offers a series of Information Skills Workshops throughout each year. These workshops are designed to help students become familiar with using online resources such as databases and journals and to make best use of the library collection. They also help students get set up with Zotero, a reference management package that is invaluable for collecting, organising and citing references. All library induction/research skills sessions must be booked by lecturers in the Letterkenny campus by contacting edel.hession@lyit.ie. Both library and classroom based induction and research skills sessions are provided for all students.

Exhibitions

The library runs regular exhibitions throughout the academic year. These are generally held to mark an anniversary or celebrate an historical event. A small exhibition is presently on display marking the centenary of the Irish War of Independence. This will be followed by an exhibition of famous literary figures.

Is luachmhar an áis í bailiúchán na leabhar Gaeilge atá i dtuaisce i leabharlann Institiúid Teicneolaíochta Leitir Ceanainn. I gcóras leabharlainne Dewey is féidir teacht ar na leabhair a bhaineann leis na teangacha i gcatagóir 400. Tosaíonn mórchuid de na leabhair Ghaeilge leis na huimhreacha 491.

Is féidir le glantosaítheoirí na Gaeilge leabhair a fháil chun cuidiú leo an teanga a fhoghlaim. Ceann de na leabhair seo ná *Now you're talking* a cuireadh i gcló i 1995. Craoladh an clár *Now you're talking* ar BBC agus RTÉ sna nóchaidí agus tá na dlúthdhioscaí a théann leis an sraith ar fáil, ar iasacht ón leabharlann sa LYIT. Cúrsa eile do fhoghlaimoirí ná *Enjoy Irish* a d'fhoilsigh Oideas Gael i 2009. Téann dlúthdhiosca leis an leabhar seo chomh maith. Sa dá leabhar seo cuirtear an bhéim ar chanúint Ghaeilge Chúige Uladh. Is féidir bailiúchán iomlán leabhair theagasc na Gaeilge a fheiceáil sa leabharlann.

I gcoitinne is féidir teacht ar leabhair a bhaineann le chuile Ghaeltacht in Éirinn ach arís leagtar béim faoi leith ar Ghaeltacht Thír Chonaill. Chaith Henrich Wagner tamall fada dá shaol ar a shaothar *Linguistic Atlas and Survey of Irish Dialects* a foilsíodh i 1958. Tá an bailiúchán a bhailigh Wagner ar fad le fáil sa leabharlann. Más ag baint taitnimh as an teanga atá tú nó ag staidéar na teanga tá réimse leathan de leabhair Ghaeilge sa leabharlann. Ina measc tá *Foclóir Gaedhlice agus Béarla* le Pádraig Dineen (1927), *Belfast and the Irish Language* le Fionntán de Brún (eagarthóir) (2006), *Leabhar Mór Briathra na Gaeilge* le A.J Hughes (2008), *Cré na Cille* le Máirtín Ó Cadhain (1949), *Cith is Dealán* le Séamus Ó Grianna (1976), *Rotha Mór an tSaoil* le Míci Mac Gabhann (1959), *An Chreag i Lár na Farraiige* le Lillis Ó Laoire (2002), *Trasna an Ghaoith – Scríbhinní Johnny Sheáin* curtha in eagar ag Noel Ó Gallchóir (2011), *Idir Feoil is Leabhar* le hEoghan Mac Giolla Bhríde (2002), *Cogar san Fharraige* le Proinsias Mac a'Bhaird (2002) agus *Dhá Chéad de Cheoltaibh Uladh* le Énrí Ó Muirgheasa (1934). Is féidir roinnt mhaith de na leabhair Ghaeilge a fháil ar iasacht ach uaireanta ní bhíonn an leabhar igcló a thuilleadh agus caithfear iad a léamh taobh istigh den leabharlann amháin.

An Ghaeilge

Tá na seirbhísí seo a leanas ar fáil go dátheangach:

Tá ball den fhoireann ar fáil chun seirbhís duine-le-duine a chur ar fáil trí Ghaeilge ag deasc eolais na leabharlainne gach maidin Dé Máirt agus maidin Déardaoin.
Feidhmíonn an leabharlann mar stór d'acmhainní foghlama na Gaeilge.
Déantar fógraí go léir na leabharlainne a fhoilsiú i nGaeilge agus i mBéarla.
Tá na foirmeacha leabharlainne ar fáil i nGaeilge agus i mBéarla.
Cuirtear turas thart ar an leabharlann ar fáil gach bliain trí mheán na Gaeilge.

New Online Bulletin Postgraduate Research Bulletin

The Postgraduate Research Bulletin is a specialist resource that provides postgraduate students with information on how using the library resources and facilities can help them during their studies in the Institute.

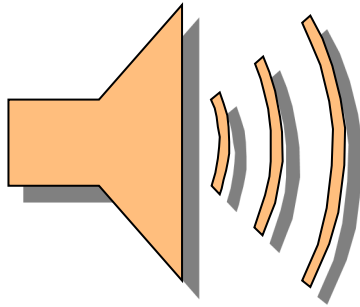

The new Library

“The new Library which will be located between the current canteen and The Shopping Centre [TESCO] will be state of the art and conforming to best practice. The Design team visited several third level and University libraries in Dublin, Belfast, England and Scotland to try to use and include the best ideas and avoid perceived mistakes. One development we are particularly proud of is the Leabharlann Gaeilge in the New Library. A room will be shelved for books from Tir Chonail and the rest of Ulster. Tables, chairs and computer links will be installed into the sound proofed room to encourage learning and discussion as Gaelige. We take great pride in our language heritage and during March we had an exhibition in the Library showcasing our language and literary heritage. This included books on the language and grammar of Rosguil, Rathlin, Coláiste Uladh, Athchló Uladh, Beatha Cholm Cille and bound copies of An tUltach.

As the Celtic languages once spread from Anatolia to Annagry and we are now the safe guarders and practitioners of these ancient tongues and literatures, we feel it important, indeed vital, to encourage the use and study of the Irish language, especially the Ulster and Donegal dialects. There is a burgeoning student led Cumann Gaelach in the Institute and the local Lionra Gael speaking group gather in The Moonshine Café in the business park opposite LYIT every Saturday at noon to talk as Gaelige and drink tea or coffee. The local Irish language choir will be singing as Gaelige with a Breton choir and musicians during the Pan Celtic Festival in Letterkenny in April. The choir includes members from LYIT, including the Library. “

You Said

We asked - Why do you study in the Library?

Cullen Donovan

“My name is Cullen Donovan and I come to the Library as it is a quiet place where I can come to get my work done. I have also utilized the quiet group study rooms for group projects and interviews.

The staff have been helpful when I need any assistance.”

Michael Barrett

Mark Gallagher

“We’ve used the Library for a number of reasons, the No. 1 being that it’s the best place to study and do work during the semester and exam time. The reason for this is because how quiet and spacious it can be, especially with the study rooms, which are ideal for team meeting and the like.”

Emily O’Flynn

Karen Alexander

1. “We enjoy availing of the study rooms as our course this year involves numerous group assignments. We find this beneficial for group discussions and brain storming ideas.

2. We are always able to find the relevant textbooks needed for our course free of charge.

3. The Library does not close until 9.30pm Monday –Thursday which gives students the opportunity of studying in the Library for evening study to complete assignments.”

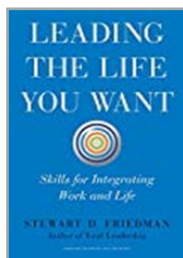

Edward Ng

“The environment and ambience in the Library allow me to focus on my task easily. The connectivity, stability and consistency of internet access here in the Library is the best around LYIT I believe. Last but not least, the desk is pretty spacious. “

Chu Xian Phung

“The good and comfortable environment here helps me in my studies and also with revision after class. Also, the LYIT Library offers various references and exercise books based on the syllabus so don’t worry if you can’t afford to buy expensive books.”

Leading the Life You Want: Skills for Integrating Work and Life by Stewart D. Friedman

You're busy trying to lead a "full" life. But does it really feel full – or are you stretched too thin? Friedman identifies the critical skills for creating harmony between work and the rest of life. He illustrates them through the compelling stories of remarkable people like Facebook COO and best-selling author Sheryl Sandberg, US First Lady Michelle Obama and renowned artist Bruce Springsteen. Their stories paint a vivid picture of the ways these very different leaders use specific skills to act with authenticity, integrity, and creativity – and they prove that significant professional or public success is accomplished not at the expense of the rest of life, but as the result of meaningful attachments to all its parts.

The Shepherd's Life: A Tale of the Lake District by James Rebanks

In evocative and lucid prose, James Rebanks takes us through a shepherd's year, offering a unique account of rural life and a fundamental connection with the land that most of us have lost. It is a story of working lives, the people around him, his childhood, his parents and grandparents, a people who exist and endure even as the world changes around them.

How to Eat a Peach: Menus, Stories and Places by Diana Henry

When Diana Henry was sixteen she started a menu notebook (an exercise book carefully covered in wrapping paper) in which she wrote up the meals she wanted to cook. She kept this book for years. *How to Eat a Peach* contains many of Diana's favourite dishes in menus that will take you through the year and to different parts of the world.
